

Christmas Alphabet Soup #2

Insert a different letter of the alphabet into each of the 26 empty boxes to form words reading across. The letter you insert may be at the beginning, the end or the middle of the word. Each letter of the alphabet will be used only once. Cross off each letter in the list as you use it. All the letters in each row are not necessarily used in forming the word.

Example: In the first row, we have inserted the letter Z to form the word COZY
