

# *Thank You*

Thank you for joining us on this special day as we begin our new life together as husband and wife. We truly appreciate all your love and support as we join our lives together. We especially would like to thank our parents for all the love and support they have given us through the years. We are so grateful to you for your unconditional love and encouragement. Thank you for all you have done to make this day so special.

Our thoughts and prayers are with those loved ones that could not be with us today but are here in spirit.
