

Simple Multiplication Worksheet #3 - 3

$3 \times \square = 27$

$2 \times \square = 18$

$2 \times \square = 14$

$7 \times \square = 21$

$3 \times \square = 18$

$4 \times \square = 24$

$1 \times \square = 1$

$7 \times \square = 28$

$9 \times \square = 54$

$4 \times \square = 4$

$9 \times \square = 63$

$6 \times \square = 54$

$5 \times \square = 25$

$5 \times \square = 30$

$1 \times \square = 4$

$6 \times \square = 30$

$5 \times \square = 20$

$7 \times \square = 14$

$3 \times \square = 24$

$3 \times \square = 12$

$1 \times \square = 7$

$9 \times \square = 45$

$5 \times \square = 30$

$8 \times \square = 16$

$1 \times \square = 5$

$3 \times \square = 9$

$2 \times \square = 14$
