

Simple Multiplication Worksheet #3 - 4

$5 \times \square = 5$

$6 \times \square = 6$

$7 \times \square = 63$

$1 \times \square = 3$

$2 \times \square = 12$

$9 \times \square = 45$

$9 \times \square = 27$

$5 \times \square = 30$

$3 \times \square = 3$

$1 \times \square = 5$

$7 \times \square = 56$

$1 \times \square = 1$

$3 \times \square = 6$

$3 \times \square = 3$

$3 \times \square = 21$

$2 \times \square = 14$

$2 \times \square = 16$

$9 \times \square = 36$

$8 \times \square = 8$

$9 \times \square = 27$

$2 \times \square = 2$

$3 \times \square = 27$

$4 \times \square = 28$

$7 \times \square = 42$

$9 \times \square = 54$

$6 \times \square = 36$

$4 \times \square = 28$
