

Simple Multiplication Worksheet #3

$6 \times \square = 36$

$5 \times \square = 20$

$2 \times \square = 10$

$6 \times \square = 18$

$7 \times \square = 14$

$6 \times \square = 54$

$2 \times \square = 8$

$7 \times \square = 7$

$2 \times \square = 16$

$6 \times \square = 36$

$9 \times \square = 45$

$4 \times \square = 20$

$3 \times \square = 24$

$1 \times \square = 2$

$8 \times \square = 64$

$5 \times \square = 45$

$6 \times \square = 18$

$5 \times \square = 30$

$3 \times \square = 15$

$5 \times \square = 20$

$7 \times \square = 21$

$7 \times \square = 28$

$7 \times \square = 35$

$6 \times \square = 12$

$6 \times \square = 54$

$3 \times \square = 6$

$7 \times \square = 7$
