

# Practice Tracing The Number 9 Strokes

The worksheet is designed for practicing the number 9. It consists of six rows of handwriting lines. Each row contains eight dashed number 9s. The first row is for tracing, and the subsequent rows are for independent practice. Each number 9 has a starting dot and an arrow indicating the direction of the stroke. The number 9 is formed by a counter-clockwise circle starting from the top right, followed by a downward stroke that curves to the left and then back up to the right.
